

## **Mad Science**

Invite Mad Science to your next Girl Scout meeting and help your troop explore science through hands-on science experiments and demonstrations. Girl Scout Brownie Try-Its workshop topics include Building Art, Movers, Science Wonders, and Space Explorer. Girl Scout Junior badge workshop topics include Aerospace, Rocks Rock, Science Sleuth, and Water Wonders.

**Grades:** 2-5 (troops encouraged to join with other troops)

**Dates & time:** Schedule a 90-minute workshop at your location by phone or online, at [madsience.org/sandiego](http://madsience.org/sandiego)

**Fee:** All workshops are \$10.50 per girl, plus a travel fee (minimum payment for 15 girls is required).

**Contact:** Mad Science at (858)
