

Maritime Museum

Girl Scouts can relive history and learn about the science of the sea at the Maritime Museum. The newest attractions include the construction site a full-sized, fully functional replica of the San Salvador, the ship on which Juan Cabrillo arrived in San Diego in 1542. Other museum highlights include tours with costumed docents, demonstrations, educational stations and a Kumeyaay village featuring ewaa houses and tule boats.

Grades: K-12
Dates: Ongoing
