

## **Play it Safe**

Play it Safe offers fun, age-appropriate lessons about stranger awareness, abduction defense and how to deal with “queen bees” and bullies. This simple but very effective step-by-step approach teaches girls to be aware of their surroundings, project confidence, trust their intuition and set boundaries. Daisies, Brownies and Juniors role-play with a mock “strangers” and “bullies,” coached by an instructor.

**Grades:** K-12 and adults  
**Dates:** Ongoing
